SUMMER
WORKSHOP

SILHOUETTES AND CONTEMPORARY TEXTILE SURFACE DESIGN

AUGUST 6, 2024
10 AM TO 3 PM

283 Catalonia Avenue
Coral Gables, FL
street parking

This hands-on workshop focuses on contemporary surface design techniques and tools to broaden the creative possibilities in textile arts. Participants will learn to create intricate silhouettes and innovative surface designs using various materials and methods, including the Cricut machine for precise fabric cutting.

This workshop aims to provide a comprehensive learning experience that bridges traditional fabric arts with innovative contemporary design techniques, empowering participants to elevate their creative toolbox.

Participants should bring a laptop with downloaded Cricut software.
